

THE MONEY MENTORS DIFFERENCE

As the exclusive provider of the Orderly Payment of Debts program in Alberta, Money Mentors helps clients pay back all unsecured debts with a reduced rate of 5% to gain the peace of mind that comes with credit protection and the end of collection calls.

The Orderly Payment of Debts program also features our Fee Rebate. By successfully completing the OPD program, three financial literacy courses and an exit interview with your counsellor, Money Mentors will rebate all monthly administration fees in one lump sum.

The Fee Rebate program allows clients to repay their debts and save for their next financial goal at the same time!

During your free Financial Needs Assessment, our counsellors help you identify the right option for your situation.

With offices in six Alberta cities – more than any other not-for-profit credit counselling organization – Money Mentors helps clients with debt and financial concerns in each corner of the province. Money Mentors has offices in Calgary, Edmonton, Grande Prairie, Lethbridge, Medicine Hat and Red Deer. Our clients can have a free consultation with a debt counsellor in many ways: in-person, over-the-phone or through Skype™.
