

Cultural Services

Linking Iyethka (Stoney Nakoda) and Tsuut'ina Members to "Our Traditional Healing Ways" with the Non-Insured Health Benefits program with Stoney Nakoda Tribal Council Health Department.

The program offers, but not limited to the following:

- Prints
- Traditional Medicines
- Traditional Healer
- Feast, travel, ceremony support
- Translation Services

Ensuring all services are culturally appropriate and respectful• Providing cultural protocol and other cultural items as needed• Identifying in-community Elders that can support your personal healing journey• Providing any additional information and contacts to support your personal healing journey

**FIRST NATION
CLIENT LIAISON**

WHAT DOES OUR PROGRAM DO?

Our Program works with Iyethka and Tsuut'ina Members and their families that are accessing Health Programs and Treatment Programs on and off-reserve through Alberta Health Services and other Organizations.

Our focus is to ensure that all clients have equal access to programs regardless of where they live.

We achieve this through supporting clients as advocates and providing information to support them during their healing journey.

Program Vision

Supporting First Nation Clients accessing Health Services On and Off-Reserve with an emphasis on Culture, Standards, and Education to ensure the Nation members of Stoney Nakoda and Tsuut'ina are healthy and empowered

WHAT DOES OUR PROGRAM DO?

- Providing information on how to access Health and Treatment Programs on and off reserve
- Helping clients understand Medical Terminology and Treatment Plans as requested throughout their healing journey
- Linking Community Members to appropriate contacts to support their health journeys, this can be in any area
- Facilitating discussions with health professionals as identified by Iyethka and Tsuut'ina Members
- Providing culturally safe and respectful services with the highest confidentiality
- Explaining Policies and Programs to support Clients ensuring they receive the Health Services they need
- Client Advocacy as identified and needed

ELIGIBILITY

- Iyethka (Stoney Nakoda) and Tsuut'ina Members: Children, Youth, Adults, and Seniors
- Clients with Multiple Needs and Complex Health Challenges
- Clients accessing Mental Health Programming Off / On Reserve (Treatment and Counselling)
- Clients who have experienced frustration while accessing Off / On Reserve Health Services
- Clients that would like to access Traditional Healing and Cultural Revitalization Programs to support Personal Healing and Wellness
